...:End of the Illusion: Part I:...:

Hiding.
Standing in the shadows.
Energy overload.
Suppress
Repress
Expression is Depressed
Hidden
Buried in the layers of Karmic Connections
Ancestral Wounds
Many lifetimes Oppressed
She's lost herself
Searching for comfort
Love Abandoned
Yearning for Reunion
A Union
Feverishly Aching
Her heart unquenched
BAM!!!
She's hit yet AGAIN
Broken and bruised
Pained
Deeper She Falls
Sunken In
She moves forward to release
Or else lost in the abyss -
Hidden
